

# PRACA W IRLANDII DLA FIZJOTERAPETOW

## JOB DESCRIPTION

**Bio Active Clinic in Cork, Ireland**, which provides unique electrotherapy treatments, is currently seeking to hire ambitious Physiotherapists.

Our holistic approach to care our patients is centered on the fulfillment of their needs by removing the associated pain, restoring mobility in the body and leading them to better "Quality of Life".

The job entails diagnosing patients' physical problems accurately and providing appropriate treatments. This will be done by combining manual therapy and innovative technology. You will have an opportunity to treat patients suffering from a wide variety of conditions such as Fibromyalgia, Rheumatoid and Osto Arthritis, Erectile Dysfunction, Hip & Knee Arthritis, Tendonitis, Hamstrings, Tennis Elbow and several more and be impactful on their life. The innovative system can also enhance sports performance.

Experience with electrotherapy treatments would be beneficial but full training will be provided for the use of the innovative system.

The employee will be expected to;

- Ensure that privacy & dignity of the patient is respected at all times
- Document & update records of patients in accordance with professional standards and clinic policies
- Work in a safe manner with due care & attention to the safety of self & others

Full-Time/Part-Time positions are available.

Salary depending on experience & hours

Please feel free to look at our website: [www.bioactiveclinic.ie](http://www.bioactiveclinic.ie) for more information.

## REQUIREMENTS

- Minimum BSc in Physiotherapy
- Good Communication skills
- Enjoy working with people & have an interest in their wellbeing
- Emotionally balanced, patient, tactful & calm
- Fluent English

## BENEFITS

- Work in a friendly environment alongside an ambitious team
- Possibility to provide effective, pain free & non-invasive treatments in a shorter space of time
- Opportunities to develop your skill set with the use of 6 unique technologies in one medical device

If you desire to be part of an ambitious and forward thinking team, we encourage you to send your CV to [margaret@bioactiveclinic.ie](mailto:margaret@bioactiveclinic.ie) or [michael@bioactiveclinic.ie](mailto:michael@bioactiveclinic.ie) and ask for more information if required.
